TECHNICAL DATA SHEET

CHARGEMA-X 75 CORDLESS RANDOM ORBITAL POLISHER

Identification and the company

Product identification:

Product name:	Cordless Random Orbital Polisher
Product number:	910-0770
EAN Code:	4934446069870

Contact data of the company issuing the material safety data sheet:

Kovax Europe B.V.
Bedrijvenpark Twente 49
7602 KC Almelo
The Netherlands
Phone: +31 53 434 31 31
E-mail: info@kovax.eu

ChargeMa-X Grinder

Specification:

Model	EB213---910-0770			
Input Voltage	10.8V DC			
Input Power	Rated 160W			
Rated Speed	4000-7000/min			
Speed Level	6-Level Speed 4000-4600-5200-5800-6400-7000/min			
Switch Type	Hall Switch Trigger			
Speed Setting	Electronic Speed Regulation(main) + Hall Switch(auxiliar)			
Speed Setting Range	4000-7000/min			
Other Features of Speed	With integrated speed stabilizer, Constant output speed			
Gearing System	No			
Weight(kgs)	0.72Kgs (tool only, no accessories or battery pack)			
Battery Pack	2.5 Ah - 5.0 Ah			
Thread	1/4"-2			
Noise	L_{PA}	63db(A	L_{WA}	71db(A)
	K_{PA}	3db(A)	K_{WA}	3dB(A)
Vibration	Ah Main Handle 3.82 m/s2			

Key Features	Powerful 160W brushless motor Light weight of 0.72k 6-Level stepless speed, 4000-7000 RPM Ergonomic design for comfortable hold Built-in speed stabilizer, to offer constant output speed Power display, detecting battery pack power consumption Speed indicator light display, corresponding to each speed postion Dual speed regulation,electronic button (main), Hall switch(auxiliary)
Size	225*80*131 mm (LWH), no accessories or battery pack
Accessories	Polishing Pad x 1, Allen Wrench x 1
Warranty	2-year warranty (www.kovax.eu/terms-and-conditions)
